Dear Parents:

I hope everyone had an enjoyable February break.

Parents often ask how they can help their child at home. Here a few suggestions:

Take turns reading aloud with your child. Your modeling will demonstrate what a fluent reader sounds like. Listening to your child allows you to monitor his/ her progress.

Practice math facts as often as possible. Have your children help with cooking using different types of measures. Make flash cards and make a game out of practicing math facts.

Thank you for your ongoing support.

Sincerely,

Maureen Futscher, Principal

Notes from the Nurse

And just like that...It is already March! We are hoping to see less and less of the flu! So sorry to those of you who have gotten sick...it's been a rough winter! I know we are definitely looking forward to Spring! On that note, if your child is ill, please keep them home. Like always, they MUST be fever free for a FULL 24 hours before returning to school. The same goes for vomiting-they must be free from it for a FULL 24 hours. **Please keep an outfit in your child's locker in case they need to change (there may have been several wipe outs outside already!)** The last day for Kindergarten registration is March 22nd. Please bring in required paperwork and contact me with any medical questions/concerns! (315-624-1232)

Musical Notes

Please join us for the District Band/Orchestra concert on Monday, March 18th at 7 pm in the Auditorium.

Miscellaneous Notes

- * Please remember to check our lost and found table in the lobby for any missing items you might have.
- * Per NYS Law, a written excuse is required upon child's return to school after any absence.

Thank you!
