

COVID-19 TESTING

(FEES may apply unless you call in advance to request if it is a free New York State Testing Site)

The New Hartford Central School District has collaborated with the Oneida County Health Department in order to provide our school community with information regarding Covid-19 testing sites. The testing information is as follows:

Use this link to access testing sites directly off the Oneida County Health Department website or use the below as a reference to local testing sites.

<https://coronavirus.health.ny.gov/find-test-site-near-you>

Pediatrician/Primary Care Doctor – check with office for any fees
