

New Hartford Central School

Dave Langone
Interim Superintendent of Schools

John W. Banek
Director of Athletics, Health and Safe Schools

June 8, 2021

Dear School Community,

There has been a great deal of confusion the past four days regarding the New York State Department of Health (NYSDOH) mask mandate for schools. Last night, the NYSDOH released new requirements and guidance regarding the wearing of face masks on school property.

As of today, the New Hartford Central School District will implement the protocol of not wearing masks on school grounds for any outdoor activities including outdoor school sports. If they so desire, individuals may still choose to wear masks outdoors on school property.

The NYSDOH requirements and guidance for mask use indoors remains unchanged.

Thank you for your cooperation in this matter.

Dave Langone

Interim Superintendent of Schools

John Banek

Director of Athletics, Health and Safe Schools
