Dear Bradley Families:

As the district and our surrounding community continues to overcome challenges presented by this pandemic, please know we are actively preparing for our students' return. ***As we plan the return for in-person learning on Monday, February 22, 2021 (which is a Day 1 within the 6-Day Cycle)***, we feel it is beneficial to review the districts previously board approved models of instruction and offerings at the elementary level. Below is a list of return dates, instructional plans and information to support this transition:

**Kindergarten - 2nd Grade Students**

- Our youngest learners will begin in-person instruction on Monday, February 22, 2021 and ***will be attending school in-person 5 days per week regardless of their previous cohort designation.***

**K-2 Students/ In-person Schedule**

All Students (Cohort A & B) In-person				

- Additional precautions are in place to support the return of K-2 students. This includes the addition of desk barriers in required spaces, additional cafeteria seating, and enhanced disinfecting schedules.
- Transportation for K-2 students will continue as it was offered during the fall. Students will ride the same buses and be picked up and dropped off at the same times as they were this fall. Previous requests regarding transportation will still be honored.
- Grab-and-Go Meals will be discontinued for K-2 in-person students upon their return.

### **3rd Grade - 6th Grade Students**

- The upper intermediate grade level students will begin in-person instruction on Monday, February 22, 2021 and ***will be following the previously approved 2:2:1 model of instruction***. Cohort A & B students will following the below schedule:
