Problem Solving: Use Logical Reasoning

1

A number line starting at 10 and ending at 6. The numbers 10, 9, 8, and 7 are shown in solid black. The number 8 is formed by a dotted line for tracing. The number 6 is also formed by a dotted line for tracing. There is a gap between the number 7 and the number 8.

2

A number line starting at 18 and ending at 11. The numbers 18, 17, 16, 15, 12, and 11 are shown in solid black. The number 16 is formed by a dotted line for tracing. There are blank boxes with horizontal lines for writing missing numbers: one between 17 and 16, one between 15 and 12, and one between 12 and 11.

Directions Have children: 1-2 write the missing numbers to solve this problem: *Look at the numbers on the game board. How can we find the missing numbers?*
