

Myles Monitor

From the Principal

Dear R.E. Myles Families:

We have had such a wonderful start to the school year and both students and staff are ready to ROCK! I would like to introduce a few new staff members to Myles to kick off our 2021-2022 school year.

Mrs. Tammy Thomas - Kindergarten teacher
Mrs. Jaime George - School Nurse
Mr. Scott Phelps - School Psychologist
Mrs. Lorie Haddad - AIS Reading
Mrs. Tammy Karrat - Office Specialist
Ms. Chelsea Trotta - Monitor
Mrs. Kathleen Thompson - Monitor
Mrs. Jennifer Ward - Aide

I encourage all families to join and participate in our PTA. We are fortunate to have a supportive and involved PTA. Please show them your support by becoming a member.

I am excited to be back in the building with students and staff, and look forward to a great year.

Sincerely,

Judeanne C. Rockford

NURSE'S NOTES September 2021

Welcome Back! I would like to review some important health office information:

Students may not carry medication of any kind with them!

For students to receive medication (prescription or non-prescription, including cough drops and other “over-the-counter” drugs) during the school day, the following must be followed and renewed each year. The parent or legal guardian must submit a written request (signed Medication Authorization Form) together with the prescribing physician’s order with specific frequency and dosage. The medication must be brought to the school by a responsible adult, in the original container, labeled with the correct drug and dosage.

No medication will be administered in school unless these procedures are followed.

PHYSICALS

NYS Education Law requires each new student to the district, and students in grades K, 1, 3, 5, 7, 9, and 11th to a physical exam, either by the school doctor or family physician. Please call the health office 315-624-1106 to let us know if your family physician will provide the physical exam. Physical forms are available in our school health office and have also been provided to you if you have a student in the mandated grades.

IMMUNIZATIONS

All kindergarten students must provide the health office with medical documentation of completed required immunizations to continue in school. Students entering 6th grade and eleven years of age or older must receive a TDAP immunization prior to the start of school. Students not in compliance will be excluded from school per NYS school law. Students entering 6th grade born after January 1, 1994 must be immunized for varicella (commonly known as chicken pox). Proof of immunity or medical documentation of disease history is acceptable.

COVID-19 & FLU SEASON

The New Hartford CSD continues to follow all CDC and NYS Department of Health Procedures and Protocols. Please review the below helpful hints to follow in and out of school!

- Hand washing remains the number one defense against infection
- Nothing can surpass the good old-fashioned routine of soap and running water.
- Good cough/sneeze etiquette is very important.
- Remind children not to touch their eyes, nose or mouth.
- Stay home if you are ill.

Kindergarten	11:45-12:10	12:10-12:35
3	12:15-12:35	12:35-12:55
2	12:35-12:55	12:55-1:15
1	12:55-1:15	1:15-1:35

Bus Safety Reminders

- Plan to be ready five minutes ahead of the established pick-up time.
- Wait for the bus from off the edge of the road.
- Wait until the driver signals you across, then double-check both ways yourself.
- Never walk close to the front of the bus; walk 10 steps ahead, along the edge of the road.
- Never walk behind or close to the sides of the bus.
- Get off the bus promptly as soon as it comes to a full stop.
- Wear proper clothing for the weather conditions.
- Large items are not allowed on the bus because they can become dangerous during a sudden stop.
- Use seat belts—they are available in all of our buses.
- Do not eat or drink on the bus.
- Keep the bus clean.
- Be courteous and thoughtful of others.
