Counseling Department News

There are 22 days of class left in the school year! Make sure you are taking advantage of any review sessions your teacher is doing whether it is in class, at lunchtime or even after school. Remember that your final/Regents exam is worth 20% of your final grade for the course.

Regents exams will be administered June 12th – 21st. Busing schedules are the same as during the regular school year. Please be aware that no busing is available midday. Students will need to make arrangements to get rides home or to school depending on their exam times. The June Regents exam schedule can be accessed via the “Calendar” link for the month of June on the Senior High School Counseling & Guidance web page at:

KEEP THIS IN MIND

Are you looking for employment this summer? Being proactive could be the key to securing a job. Don’t just fill out an application. Fill out the application and ask to speak to a manager or supervisor. Introduce yourself to him/her and ask if they will be hiring soon. If not, ask to have your application kept on file. Follow up in a few weeks with a phone call or even better yet, another face to face contact with the manager. Always make sure you are dressed appropriately. Following these steps could be the difference in getting hired this summer.
