JANUARY 2019

Counseling Department News

Regents exams will be administered January 22nd - January 25th. Students are expected to come to school only on days they have a Regents exam. If you have two exams on one day, keep in mind the cafeteria is closed for high school students during exam week and you must provide your own lunch. Bringing your own lunch or a snack to eat in between exams is highly recommended. Students are encouraged to take extra time to study for exams, attend any review sessions their teachers may hold, and be sure to arrive early for all tests.

The January 2019 Regents Exam schedule can be found online at <http://www.newhartfordschools.org/Page/270> .

Scheduling for the 2019-20 school year will begin soon! Counselors will hold scheduling presentations with 10th graders beginning February 7th, followed by individual meetings with students to “lock” their course selections after February break.

KEEP THIS IN MIND

Sophomores, don’t forget to use the portal to check to see if you are missing any assignments before the end of the semester. Make time to see your teachers to inquire about missing work. Remember, you will be starting new classes on January 28th. Stop in and see your counselor with questions about your schedule. Have you participated in any extracurricular activities this past fall? If not, it isn’t too late to do so. Colleges are very interested in what students do outside of the classroom. So join a club, sign-up to play a spring sport, look for employment....get involved and stay involved!
