New Hartford Senior High **Grade 12** Course Registration Guide for **2024-2025**

Extensive course information and graduation requirements are available in the Academic Information section of the Senior High School Counseling & Guidance webpage at http://www.newhartfordschools.org/Page/2676. Remember some "electives" can meet other graduation requirements. Students are expected to log into the School Tool Portal and make their selections in the Course Registration section before 2/25/24. After doing so, students will need to conference with their counselor to "lock in" their choices.

OCC076F* &OCC076S*	Welding 2	4.0 total	Blocks 1 & 2 all year	Also select OCC0ENG2*, OCC0MTH2* and OCC0SCI2* (.5 each)		
SUPPORT SERVICES			T au			
AIS12F & AIS12S	Learning Center	0	Alternate day all year	AIS assigned based upon previous performance in required courses		
RES12F & RES12S	Resource Room Support	0	Alternate day all year	CSE determines Resource Room placement		

Students who elect to enroll in Advanced Placement courses are required to take the accompanying AP exam/portfolio submission in May. The cost of each exam is currently \$98. Students are expected to pay for up to two exams each year. Any additional AP exams (in which course you are enrolled) will be paid for by the school district. If you drop after a certain point you will not receive a refund and may incur a drop fee.

There are bridging opportunities at Hamilton College, MVCC, and Utica College. If you are interested please talk with your counselor ASAP. More information about these opportunities can be found on the Counseling & Guidance website under Academic Information – College Bridging Opportunities.
