

SAT/ACT Do Not Release Form

The practice of New Hartford Central School has been to include college-testing scores on the transcript as a convenience to our families. However, taking into consideration recent changes and recommendations from the College Board and ACT we will now allow families the option of not reporting SAT/ACT scores on the high school transcript.

Keep in mind even if you choose to have your test scores on your transcript, some colleges require college admissions scores to be sent directly from the testing agency.

We advise checking the requirements of each college before filling out this form.

I _____ agree that **none** of my SAT and ACT scores will be
Print name

reported on my transcript.

Student Signature _____ Date _____

Parent Signature _____ Date _____

**Please note that if we do not receive this form
all SAT/ACT scores we have will be reported on the transcript.**

For School Personnel to Complete
