FIELD HOCKEY

The girls varsity field hockey team's 2023 season was one of learning, patience and hard work. The Spartans' efforts culminated in a sectional appearance and the team ended the season with an overall record of 7-9 and a league record of 5-6.

This year's seniors proved to be strong leaders and left the team ready for the juniors to step up next year. The four seniors on the team will be greatly missed and the coaches and team wish them the best of luck in their future endeavors.
