Student Registration Requirements

Welcome to the New Hartford Central School District! We are excited that you are considering enrolling your child(ren) in our school district. The first step in this process is to provide the following information:

1. Original birth certificate
2. Proof of residency:
    - a copy of a residential lease or proof of ownership of a house or condominium such as a deed or mortgage statement;
    - a statement signed by a landlord, property owner, or tenant from whom the adult leases or rents property, or with whom the adult shares property within the District (the District prefers a sworn statement, but this is not required);
    - some other signed statement from a third party establishing that the adult maintains a physical presence within the District.

    -AND-

    - One other form of documentation of residency, including, but not limited to:
        - Paystub
        - Income tax form
        - Utility or other bills
        - Membership documents based on residency
        - Voter registration documents
        - Official driver's license, learner permit, or non-driver identification.
        - State or other government-issued identification or documents relating to government services or benefits
3. Custody papers (if applicable)
4. Academic records from your previous school (if applicable)
5. Health records including immunizations
6. Committee on Special Education (CSE) records (if applicable)
7. Discipline records from your previous school (if applicable)
8. Completed New Hartford Student Registration Packet.

Using one of the following options, please return the above information to the Office of Student Services, along with a phone number so you may be contacted if further information or clarification is needed:

- Via fax: 315-624-1236
- Via e-mail: schoolregistration@nhart.org
- Via U.S. mail: New Hartford Central School District, Office of Student Services, 33 Oxford Road, New Hartford, NY 13413
- Via in person: Please deliver the completed registration packet, along with the required documentation, to the respective school building(s) which your child(ren) will attend
- Any questions, please contact the Office of Student Services at 315-624-1231.

NEW HARTFORD CENTRAL SCHOOL DISTRICT STUDENT INFORMATION FORM

Student Information:

Last Name, First Name, Middle	Nickname	Date of Birth (MM/DD/Year)	Gender
Entering Grade	Ethnicity (Choose one) ☐ Hispanic/Latino ☐ Not Hispanic/Latino	Place of Birth	Primary Language Spoken at Home

Select one or more races from the following five racial groups. Mark at least **ONE** box.

- ☐ **AMERICAN INDIAN OR ALASKA NATIVE:** A person having origins in any of the original peoples of North America and who maintains a cultural identification through tribal affiliation or community recognition. E.g. Cherokee, Mohawk, Inuit.
- ☐ **ASIAN:** A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.
- ☐ **NATIVE HAWAIIAN OR OTHER PACIFIC ISLANDER:** A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.
- ☐ **BLACK:** A person having origins in any of the black racial groups of Africa.
- ☐ **WHITE:** A person having origins in any of the original peoples of Europe, North America, or the Middle East.

Parent/Guardian				
Parent/Guardian				
Sibling Information			School/Grade Level	In the home?
Sibling				
Sibling				
Sibling				
Sibling				

Is your child adopted: ☐ Yes ☐ No Is there any further information you would like to share regarding the adoption?_____

II. Developmental Information:

The child was born: ☐ Full-Term ☐ Cesarean ☐ Premature Birth Weight_____

Were there any complications at birth?_____

Milestones	Early	Typical	Late	Comments/Current Concerns
Teething		(6 months)		
Crawling		(9 months)		
Walking		(1 year)		
Toilet Trained		(2-3 yrs.)		

Was your child's development unusual in any way?_____

_____

Please list any serious illness, operations, or injuries that your child has had and at what age:

_____

_____

Do you have any concerns about your child's eating habits or sleeping patterns:_____

_____

Do you have concerns about your child's vision or hearing: ☐ YES ☐ NO

If yes, please explain:_____

If your child is **not** entering Kindergarten, please skip to Section IV
If your child **is** entering Kindergarten, please complete all sections

III. School Readiness:

Has your child attended nursery school? ☐ YES ☐ NO If yes, where?_____

Do you have any concerns about your child's readiness for school? (such as academic, social, or behavior management)_____

_____

Does your child have independent self-care skills (e.g. toileting, dressing, etc.) ☐ YES ☐ NO

If no, please explain:_____

Have there been any major changes in the home (divorce, marriage, separation, death, etc.) that may affect your child?_____

IV. Speech/Language:

Has your child ever been enrolled in a speech or language therapy program? ☐ YES ☐ NO

If yes, where?_____ What was addressed:_____

Do you or others have difficulty understanding your child's speech? ☐ YES ☐ NO

Does your child pronounce any sounds incorrectly? ☐ YES ☐ NO Which sounds?_____

V. Evaluations/Services:

Has your child been evaluated for any other concerns? ☐ YES ☐ NO

If yes, what was the area of concern?_____

What was the outcome of the evaluation?_____

Does your child receive any services as a result of the evaluation? ☐ YES ☐ NO

If yes, where?_____

Do you have any concerns or comments that were not addressed?_____

_____

_____

Please do not hesitate to contact the Social Worker in your child's building if you wish to further elaborate on the information you have provided, or express any specific concerns.

All the information provided on this form will be treated as confidential.

Form completed by:_____ Date:_____

Dear Parents/Guardians,

Chapter 53 of the Education Law-1980 requires local school districts to screen all new entrants, including Kindergarten.

Screening is a preliminary method of distinguishing from the general population, those students, who may possibly have a handicapping condition or those who may be gifted. Screening should not be viewed as an in-depth method of assessing development. It is a quick method of determining overall performance and should indicate whether or not a comprehensive evaluation is necessary. Based upon the results of screening, students who are in need of further evaluation will be referred to appropriate school and medical personnel.

New Hartford's screening process will include:

1. A health examination by a licensed physician, or evidence of such, in the form of a health certificate.
2. Certificates of immunization or referral for immunizations
3. Request for a Dental Health Certificate for school entry (Grades K, 2, 4, 7 and 10)
4. Articulation skills and receptive and expressive language development
5. Cognitive development (learning strengths and weaknesses)
6. Motor development

Screening will be conducted under the following schedule:

1. Kindergarten-May/June
2. New Entrants-August/September
3. New Entrants after Sept. 1st-Individually as needed

When screening has been completed, you will receive a copy of the Screening Profile, which will contain the results of the testing. All data pertaining to your child(ren) will be treated in a confidential manner.

Your assistance and cooperation in supplying information and completing necessary forms will be appreciated. If you have any questions, please contact your building principal.

Thank you!

(*FORM E4)*

Dear Parents/Guardians,

Please help us help your child(ren) with these very important safety tips.

1. Be sure your child(ren) is ready when the bus arrives and is at the bus stop, not waiting in the house. If for some reason your child(ren) isn't going to school, motion the bus on.

2. Have your child(ren) use a backpack, or tote bag to carry paper, books, etc. to and from school.

3. DO NOT ALLOW your child to take large, bulky items on the school bus. This can be dangerous for them due to the inability to handle such items and the limited space on the bus. (This includes musical instruments to large to hold.) Glass containers are not permitted on the bus.

4. Please keep all pets restrained at bus arrival times, morning and afternoon.

5. Please instruct your child(ren) when getting off the bus in the afternoon to go directly to the house. DO NOT allow your child(ren) go to the mailbox or wait out by the bus when it is leaving as this is a dangerous area.

6. IN THE MORNING, if your child(ren) must cross the road to get to their bus, instruct them to wait at the end of your driveway (back ten feet or so from the end), until the bus stops, flashing red lights are on, and the bus driver signals your child(ren) to cross.

7. It is very important to teach your child(ren) on the proper way to cross the highway. Teach them to walk in front of the bus until they can see their bus driver's face (ten feet or more), STOP and wait for the bus driver's signal before starting to cross the road. Also, show them how to look for themselves as they cross and not to run. If you want to meet your child(ren) in the afternoon when getting off the bus, please meet them where they depart from the bus as the excitement of the child(ren) seeing a parent or guardian is apt to make unsafe crossing.

8. We ask that your child(ren) keep noise to a reasonable level so the bus driver can hear the hazards of the road, other vehicle horns, sirens of emergency vehicles, and trains at railroad crossings.

9. Emergency bus evacuation drills will be conducted three times during the year. These will include safe crossing of the highway.

10. With your cooperation, I am sure we can have another safe transportation year.

Thank you!

Transportation Office

_____
Parent/Guardian Signature

******If this form is not submitted to your child's respective building, the District assumes that it is permissible to use a photo and/or video of your child***.

Revised 09/25/2024

2024-25 School Year
New York State Immunization Requirements for School Entrance/Attendance[1]

NOTES:
All children must be age-appropriately immunized to attend school in New York State. The number of doses depends on the schedule recommended by the Advisory Committee on Immunization Practices (ACIP). Intervals between doses of vaccine must be in accordance with the "ACIP-Recommended Child and Adolescent Immunization Schedule." Doses received before the minimum age or intervals are not valid and do not count toward the number of doses listed below. See footnotes for specific information for each vaccine. Children who are enrolling in grade-less classes must meet the immunization requirements of the grades for which they are age equivalent.

Dose requirements MUST be read with the footnotes of this schedule

<table>
<tr><th>Vaccines</th><th>Pre-Kindergarten (Day Care, Head Start, Nursery or Pre-K)</th><th>Kindergarten and Grades 1, 2, 3, 4 and 5</th><th>Grades 6, 7, 8, 9, 10 and 11</th><th>Grade 12</th></tr>

</table>

NEW YORK STATE | Department of Health

1. Demonstrated serologic evidence of measles, mumps or rubella antibodies or laboratory confirmation of these diseases is acceptable proof of immunity to these diseases. Serologic tests for polio are acceptable proof of immunity only if the test was performed before September 1, 2019, and all three serotypes were positive. A positive blood test for hepatitis B surface antibody is acceptable proof of immunity to hepatitis B. Demonstrated serologic evidence of varicella antibodies, laboratory confirmation of varicella disease or diagnosis by a physician, physician assistant or nurse practitioner that a child has had varicella disease is acceptable proof of immunity to varicella.

2. Diphtheria and tetanus toxoids and acellular pertussis (DTaP) vaccine. (Minimum age: 6 weeks)

   a. Children starting the series on time should receive a 5-dose series of DTaP vaccine at 2 months, 4 months, 6 months and at 15 through 18 months and at 4 years or older. The fourth dose may be received as early as age 12 months, provided at least 6 months have elapsed since the third dose. However, the fourth dose of DTaP need not be repeated if it was administered at least 4 months after the third dose of DTaP. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the previous dose.

   b. If the fourth dose of DTaP was administered at 4 years or older, and at least 6 months after dose 3, the fifth (booster) dose of DTaP vaccine is not required.

   c. Children 7 years and older who are not fully immunized with the childhood DTaP vaccine series should receive Tdap vaccine as the first dose in the catch-up series; if additional doses are needed, use Td or Tdap vaccine. If the first dose was received before their first birthday, then 4 doses are required, as long as the final dose was received at 4 years or older. If the first dose was received on or after the first birthday, then 3 doses are required, as long as the final dose was received at 4 years or older.

3. Tetanus and diphtheria toxoids and acellular pertussis (Tdap) adolescent booster vaccine. (Minimum age for grades 6 through 10: 10 years; minimum age for grades 11 and 12: 7 years).

   a. Students 11 years or older entering grades 6 through 12 are required to have one dose of Tdap.

   b. In addition to the grade 6 through 12 requirement, Tdap may also be given as part of the catch-up series for students 7 years of age and older who are not fully immunized with the childhood DTaP series, as described above. In school year 2024-25, only doses of Tdap given at age 10 years or older will satisfy the Tdap requirement for students in grades 6 through 10; however, doses of Tdap given at age 7 years or older will satisfy the requirement for students in grades 11 and 12.

   c. Students who are 10 years old in grade 6 and who have not yet received a Tdap vaccine are in compliance until they turn 11 years old.

4. Inactivated polio vaccine (IPV) or oral polio vaccine (OPV). (Minimum age: 6 weeks)

   a. Children starting the series on time should receive a series of IPV at 2 months, 4 months and at 6 through 18 months, and at 4 years or older. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the previous dose.

   b. For students who received their fourth dose before age 4 and prior to August 7, 2010, 4 doses separated by at least 4 weeks is sufficient.

   c. If the third dose of polio vaccine was received at 4 years or older and at least 6 months after the previous dose, the fourth dose of polio vaccine is not required.

   d. For children with a record of OPV, only trivalent OPV (tOPV) counts toward New York State school polio vaccine requirements. Doses of OPV given before April 1, 2016, should be counted unless specifically noted as monovalent, bivalent or as given during a poliovirus immunization campaign. Doses of OPV given on or after April 1, 2016, must not be counted.

5. Measles, mumps, and rubella (MMR) vaccine. (Minimum age: 12 months)

   a. The first dose of MMR vaccine must have been received on or after the first birthday. The second dose must have been received at least 28 days (4 weeks) after the first dose to be considered valid.

   b. Measles: One dose is required for pre-kindergarten. Two doses are required for grades kindergarten through 12.

   c. Mumps: One dose is required for pre-kindergarten. Two doses are required for grades kindergarten through 12.

   d. Rubella: At least one dose is required for all grades (pre-kindergarten through 12).

6. Hepatitis B vaccine

   a. Dose 1 may be given at birth or anytime thereafter. Dose 2 must be given at least 4 weeks (28 days) after dose 1. Dose 3 must be at least 8 weeks after dose 2 AND at least 16 weeks after dose 1 AND no earlier than age 24 weeks (when 4 doses are given, substitute “dose 4” for “dose 3” in these calculations).

   b. Two doses of adult hepatitis B vaccine (Recombivax) received at least 4 months apart at age 11 through 15 years will meet the requirement.

7. Varicella (chickenpox) vaccine. (Minimum age: 12 months)

   a. The first dose of varicella vaccine must have been received on or after the first birthday. The second dose must have been received at least 28 days (4 weeks) after the first dose to be considered valid.

   b. For children younger than 13 years, the recommended minimum interval between doses is 3 months (if the second dose was administered at least 4 weeks after the first dose, it can be accepted as valid); for persons 13 years and older, the minimum interval between doses is 4 weeks.

8. Meningococcal conjugate ACWY vaccine (MenACWY). (Minimum age for grades 7 through 11: 10 years; minimum age for grade 12: 6 weeks).

   a. One dose of meningococcal conjugate vaccine (Menactra, Menveo or MenQuadfi) is required for students entering grades 7, 8, 9, 10 and 11.

   b. For students in grade 12, if the first dose of meningococcal conjugate vaccine was received at 16 years or older, the second (booster) dose is not required.

   c. The second dose must have been received at 16 years or older. The minimum interval between doses is 8 weeks.

9. Haemophilus influenzae type b (Hib) conjugate vaccine. (Minimum age: 6 weeks)

   a. Children starting the series on time should receive Hib vaccine at 2 months, 4 months, 6 months and at 12 through 15 months. Children older than 15 months must get caught up according to the ACIP catch-up schedule. The final dose must be received on or after 12 months.

   b. If 2 doses of vaccine were received before age 12 months, only 3 doses are required with dose 3 at 12 through 15 months and at least 8 weeks after dose 2.

   c. If dose 1 was received at age 12 through 14 months, only 2 doses are required with dose 2 at least 8 weeks after dose 1.

   d. If dose 1 was received at 15 months or older, only 1 dose is required.

   e. Hib vaccine is not required for children 5 years or older.

   f. For further information, refer to the CDC Catch-Up Guidance for Healthy Children 4 Months through 4 Years of Age.

10. Pneumococcal conjugate vaccine (PCV). (Minimum age: 6 weeks)

    a. Children starting the series on time should receive PCV vaccine at 2 months, 4 months, 6 months and at 12 through 15 months. Children older than 15 months must get caught up according to the ACIP catch-up schedule. The final dose must be received on or after 12 months.

    b. Unvaccinated children ages 7 through 11 months are required to receive 2 doses, at least 4 weeks apart, followed by a third dose at 12 through 15 months.

    c. Unvaccinated children ages 12 through 23 months are required to receive 2 doses of vaccine at least 8 weeks apart.

    d. If one dose of vaccine was received at 24 months or older, no further doses are required.

    e. PCV is not required for children 5 years or older.

    f. For further information, refer to the CDC Catch-Up Guidance for Healthy Children 4 Months through 4 Years of Age.

Immunization Requirements for School Attendance
Medical Exemption Statement for Children 0-18 Years of Age

NOTE: THIS EXEMPTION FORM APPLIES ONLY TO IMMUNIZATIONS REQUIRED FOR SCHOOL ATTENDANCE

Instructions:

1. Complete information (name, DOB etc.).
2. Indicate which vaccine(s) the medical exemption is referring to.
3. Complete contraindication/precaution information.
4. Complete date exemption ends, if applicable.
5. Complete medical provider information. Retain copy for file. Return original to facility or person requesting form.

1. Patient's Name _____
2. Patient's Date of Birth _____
3. Patient's Address _____
4. Name of Educational Institution _____

Guidance for medical exemptions for vaccination can be obtained from the contraindications, indications, and precautions described in the vaccine manufacturers' package insert and by the most recent recommendations of the Advisory Committee on Immunization Practices (ACIP) available in the Centers for Disease Control and Prevention publication, Guide to Vaccine Contraindications and Precautions. This guide can be found at the following website: **http://www.cdc.gov/vaccines/recs/vac-admin/contraindications.htm**.

Please indicate which vaccine(s) the medical exemption is referring to:

- ☐ Haemophilus Influenzae type b (Hib)
- ☐ Polio (IPV or OPV)
- ☐ Hepatitis B (Hep B)
- ☐ Tetanus, Diphtheria, Pertussis (DTaP, DTP, Tdap)
- ☐ Measles, Mumps, and Rubella (MMR)
- ☐ Varicella (Chickenpox)
- ☐ Pneumococcal Conjugate Vaccine (PCV)
- ☐ Meningococcal Vaccine (MenACWY)

Please describe the patient's contraindication(s)/precaution(s) here: _____

_____

_____

Date exemption ends (if applicable)

_____

A New York State licensed physician must complete this medical exemption statement and provide their information below:

New Hartford Central School District

Provider and Parent Permission to Administer Medication at School/School Sponsored Events

To Be Completed by Parent

Student Name_____ DOB_____
Grade_____ Teacher_____ School _____

I request that the school nurse administer the medication listed on this plan. I will provide the medication in the original pharmacy or over the counter container. This plan may be shared with the school staff caring for my child.

Parent/Guardian Signature_____ Date_____
Phone Number_____ Email_____

To Be Completed by Health Care Provider-Valid for 1 Year

Diagnosis_____

Medication_____

Dose_____ Route_____ Time(s)_____

Recommendations_____ ICD Code_____

Note: Medication will be administered as close to the prescribed time as possible, but may be administered up to one hour before or after the prescribed time, unless it is documented that it is a time sensitive medication. Please advise if there is a time-specific concern regarding administration.

Independent Carry and Use Attestation Attached (Required for independent carry and use)

NYS law required both provider attestation that the student has demonstrated they can effectively self-administer inhaled respiratory rescue medications, epinephrine auto-injector, insulin, carry glucagon and diabetes supplies or other medications which require rapid administration along with parent/guardian permission delivery to allow this option in school. Check this box and attach the attestation to this form to request this option.

PROVIDER AND PARENT PERMISSIONS
REQUIRED FOR INDEPENDENT MEDICATION USE AND CARRY

Directions for the Health Care Provider: This form may be used as an addendum to a medication order which foes not contain the required diagnosis and attestation for a student to independently use and carry their medication as required by NYS law. A provider order and parent/guardian permission is needed in order for a student to carry and use medications that require rapid administration to prevent negative health outcomes. These medications should be identified by checking the appropriate boxes below.

Student Name_____ **DOB**_____

Health Care Provider Permission for Independent Use and Carry

I attest that this student has demonstrated to me that they can self-administrator the medication (s) listed below safely and effectively, and may carry and use this medication (which delivery device is needed) independently at any school/school sponsored activity with no supervision by school staff. This order applies to the medications checked below:

This student is diagnosed with:

- ☐ Allergy and required Epinephrine Auto-Injector
- ☐ Asthma or respiratory condition and requires Inhaled Respiratory Rescue Medication
- ☐ Diabetes and required insulin/Glucagon/Diabetes Supplies
- ☐ _____which requires rapid administration of
  (state diagnosis)
  _____(medication name)

Provider Signature:_____ **Date**_____

Parent/Guardian Permission for Independent Use and Carry

I agree that my child can use their medication effectively and may use and carry this medication independently at any school/school sponsored activity with no supervision by school staff.

Signature:_____ **Date**_____

Please return to the School Nurse with the Provider and Parent Permission to Administer Medication form.
